From the President's Pen

Are you feeling a little overwhelmed with all the Canada 150 hype so far this year? I must admit that I almost am. Not because there is too much going on, but because within the quilting world, I want to be part of all of it! I want to make quilts from all the lovely fabrics and panels available this year, to keep up with the Canada 150 mystery quilt as the blocks become available and to sew up slab blocks for CQA's giant quilt bee. I also want to visit as many quilt shows as I can to admire the creativity and hard work of my fellow quilters.

As it is, I am keeping up with the mystery quilt, I've made dozens of slab blocks and I'm now binding two Canadian flags from the pattern and fabrics by Shania Sunga. I also have the small British Columbia panel that I will complete some time soon. I've decided that will be enough for me. A couple of keepsakes to enjoy and no pressure to finish more than I am able to in a short time.

I hope you all have chosen one or two special Canada themed projects for this year. We have the occasion, we have the fabrics, patterns and notions; a perfect opportunity in a quilter's world! And if you need inspiration, try to attend some of the quilt and textile shows this year. I was recently at Westshore's show in Langford and am now looking forward to the Empire Days quilt show in Cumberland on the May long weekend.

April was a fun meeting with many items, finished and unfinished, being shown by some of our intrepid procrastinators. I enjoyed hearing about the Quilts of Valour program from Lezley Zwaal, and was happy to hand seven slab block quilt tops to Karen Killins-Robinson for finishing before Quilt Canada in June.

May is an evening meeting only and, as you know, it's the time we finalize who will be doing what jobs for the Guild in the next year. It takes more people than may would think to run an organization such as ours and I am grateful to so many women who generously give of their time and energy to keep our Guild running.

Thank you all, see you at the May meeting. *Christine Hustins, Guild President*

Nominations

All of us know the phrase, "hope springs eternal". I'm sure some of us are hoping the Nominations/Elections portion of our AGM (Wednesday, May 17th...evening meeting) will be short and sweet—short for yours truly and sweet for you. Think of how sweet and exciting and adventurous the new Guild year could be with some new blood and new ideas and new energy. Think of volunteering as a sense of accomplishment. Think of joining a Committee to get your creative juices flowing and think of the new friends you can make.

What can you volunteer for? There are 4 positions left; let's "make them go away". Coffee: 1 afternoon / Hospitality: 1 evening / Membership: 1 evening for September Newsletter Advertising: 1 / Raffles: 1 evening

Program

There will be no program in May due to the AGM and the elections but you can still sign up for upcoming classes and give us your suggestions for next year in our suggestion box!

Reports and Thank You's

The **Procrastinators' Showcase** started out last fall with thirty-three participants signing up with lists varying from one project to ten! At our afternoon meeting 19 participants, and at our evening meeting 10 participants showed off their progress (or lack of it). The stories were entertaining and so much fun to listen to! Please let us know if you want to do it again next year. **Afternoon Prizewinners:** Linda Robinson, Judi Moran & Barbara Root. **Evening Prizewinners:** Trellis Craig, Vicki Dods, & Judith McLaughlin

Ricky Tims Bus Trip: From all reports, Ricky Tims was humorous, entertaining, and above all, inspiring. If you ever get a chance to see him in the future, it's definitely worth it!

Susan Teece Workshop - Playing in the Trees Participants learnt to make both Arbutus and Evergreen trees. They were great for using up scraps. It was easy and fun to do and a fantastic new technique to learn. Thank you Susan Teece!

Above: at the Susan Teece Workshop, participants used the Portable Design Wall that the Program Committee purchased for the Guild with a portion of the Update and Replacement of Equipment Fund.

Above: Susan Teece Workshop - Playing in the Trees

Upcoming Workshops:

May 13 & 14: Desert Sky with Anne Hall. (photo below)

Bradley and Judy Niemeyer designed the layout for the Desert Sky using a selection of bright and dark fat quarters from the Wildflowers Collection, designed by Judy & Judel Niemeyer with Timeless Treasures. Template Layout sheets were designed and provided with these instruction to speed up the cutting process, allowing you to stack and cut your fat quarters in two groups of nine fabrics. An even amount of yardage is needed for each colour. This small wall hanging is definitely one to add to your collection.

Skill level: Beginner to advanced.
Size: 48" x 54" You can purchase additional foundation packages and fabrics to increase the size of your quilt to Twin, Queen or King!

October 21: Vertical Landscape with Karen Killins-Robinson. (Fee \$45 - photo at right)

If you saw this project in the Spring 2016 edition of Quilters' Connection Magazine and wanted recreate it – here is your opportunity. Using your own photograph, Karen will guide you through the process of creating your own memory vertical landscape. Piecing and raw edge appliqué techniques are used. Karen has chosen a monochromatic theme using blues and whites but you can make yours unique by selecting your favorite fabrics. Completed project measures 7.5" X 32.5".

Membership

April's Guild meeting once again was an early registration month. We had 40 registrations and one new Member. Welcome T. Kyla Shay, we all look forward to getting to know you.

May is also early registration, but remember it is election night and we only have an evening meeting. Your registration form can be found as the last page of this newsletter or on the website. Please print off a copy and fill it in before the meeting. Turn the filled in form with payment attached at the Membership table. Lija will be available to process Credit Cards. Processing will take place during the meeting, and you should be able to pick up your New Card and receipt before you leave the meeting.

Honorary Members still have to fill out Registration Form and you are only eligible if you are 80 years old or older at the time of registration. Newsletters always seems to be an issue. Honorary Members do not have to pay for their Newsletter to be mailed. BUT we would never turn down the offer of \$15.00 to help cover the increasing cost of printing and mailing.

If you attended the last meeting you will know that the board of Directors passed a motion on prorating new members' registration fees. They now will be \$15.00 if you sign up after the end of January's meeting. SO!!! from February 1st till September's meeting is \$15.00. Newsletter mailed \$7.50. If you pay for the last half of the year and next year it is \$45.00. I hope that clears up the confusion.

See you all at the evening May meeting.

Judy Peterson, Membership

Donation Quilts

Pat and I were overwhelmed at the April meeting by the 39 quilts we received. Many were from Yvonne Jans donations and it was great to see them quilted and completed. I too realize that I also have many projects at various stages of completion and it gives me incentive to finish them. I want to thank all those who finished their UFO projects and in turn donated them to us. Please note, Pat and I will be delivering all the quilts in early June, so you have one more meeting in May. If you need batting email Pat at patclements@shaw.ca or phone Bonnie at 250 753-9366. We also have batting and some backing at the meeting. You can also take home kits made up by Bonnie Dimitry.

Thank you again for all your generous donations.

Bonnie and Pat

Quilt Bee 2018

The kits that our committee had ready were flying out of the box at our April meetings. Thank you so much!

Out of 16 kits there is only 1 left. We will not be getting together until June to make up some more so you will have to wait until the fall if you wish to complete a kit. At that time we will have batting and backings ready to go as well. Next year we will be using cotton batting as we currently have extra funds from the Guild. This, of course, will only happen as long as we have the extra money so please see us in the fall and enjoy!

Fabrics.

Like, hundreds of colours and patterns and textures. You really have to see it to believe it. Knocks your eye out.

Notions.

All kinds of cutting things and pointy things and clippy things and snippy things and dangly things and sew-on things, and, like, five kinds of glue. It's crazy.

Patterns.

Who even knew there were this many patterns? Not me.

Books.

Heaps of books. It's like the Library of Congress. Sort of.

Long-Arming.

Get your long-arming done, and you can choose from over five thousand different patterns. How can anybody pick just one? I don't know.

Staff.

Really great staff. Friendly, smart, helpful. Good sense of humour.

CQA Report

Thank you all for sewing up so many slab blocks for the Giant Quilt Bee! We have taken in a total of 349 blocks. Some of these were sewn into tops and Karen Killins-Robinson took those with her to layer and quilt. The remaining blocks and tops will be sent with any more that come in at the May meeting and we can feel good that we have contributed our share as a member Guild of CQA.

If you haven't been to the CQA blog recently you may want to visit there to read some information and see some photos about Coreen Zerr and the classes she will be teaching at Quilt Canada this year.

The latest kit for the Canada mystery quilt, promoted by CQA and Cantik Fabrics, is now available. It is the British Columbia block and is a lovely interpretation of the natural beauty of our province. Serge and Sew has kits if you are interested in making just this one block as a keepsake. There is one more block left to come out, for the province of Saskatchewan. After that we will expect the finishing kit and then we'll start to see the end results of this special project.

Happy sewing, *Christine Hustins*

Placemats

WOW! We had 59 placemats turned in at the meetings in April. Thank you! Thank you! Thank you!

Laura and Norma attended the annual Mid Island Abilities luncheon on April 12 and handed out 39 placemats and 16 tea cozies to the seniors in attendance. The luncheon is usually held at Christmas time, but had to be postponed twice due to snowstorms. This leaves us with a very comfortable stock of 244 placemats and 21 tea cozies.

Nine of the placemats turned in at the April meetings were in a Canada Day theme which will go to help decorate our June Picnic, which will be very close to that special day when Canada turns 150 years old. I think the June picnic organizers would like many more and would really appreciate them being brought to the May meeting. So, please do your magic thing with your sewing machine and red and white scraps and we can all show how proud we are to be Canadian.

Thanks so much,

Your Placemat Committee, Heather, Norma, Laura, Leanne

Block of the Month

A recap of how the Block of the Month works: each block turned in gets a chance to win all the blocks turned in. If you win and have the blocks sewn together up to the binding you receive a prize. The finished quilt doesn't have to be one project so you can use the blocks to make placemats, bags, quilts, etc. May will be our last draw and we'll start up again in September. So if you have any suggestions regarding block colours or patterns let me know.

Vicki Zoltay did have her blocks sewn together and picked out a bendy bag pattern as her prize. She had a quilt and 2 placemats finished. They all looked great, wouldn't you agree?

Thanks to all who braved trying out the Y seams. I appreciate your efforts. Georgette Serjeant won the afternoon 7 Attic Windows and I won the 4 evening blocks.

The block due next month is called Garden Path,, find it at:

<http://www.mccallsquilting.com/patterns/details.html?idx=15047>

The requested colours are a cream in the trellis part and a flowered fabric for the garden which can be any colour so you do not have to limit yourself to dark fabric. I handed out 60 patterns so maybe we'll get that many turned in? Lol.

Nanaimo Guild Picnic June 21

Well the time is drawing near. There is only the May meeting before the Picnic. The picnic is on June 21, 3:00 pm - 7:00 pm at the Bowen Park Lower Picnic Shelter.

We are looking forward to celebrating the End of the Year for the Guild and also Canada's 150th Birthday. I hope you are all working on your Canadiana costumes. Our group has already got ours together.

We are lucky that Pat Ryan went down south for the winter this year. She purchased an Ottlight High Definition Floor Light valued at approx. \$200 American, which we will be selling raffle tickets for, in addition to the usual raffles held by the raffle committee. So, bring your change and good luck. Some lucky member will be taking it home with her.

Are you brushing up on your Canadian Trivia? We will be playing Trivia games, so be prepared! Prizes awarded.

****I am still waiting to hear from more groups, duos, singles, etc. that are going to perform some type of entertainment. It would be helpful to know who is performing so I can make up an agenda and we will be able to accommodate everyone. Come on, I know you are all talented! We will also be having a sing along so tune up your voices.

Remember that you have to bring a lawn chair, your own plates, cutlery and drinks. We will be offering tea, coffee and water.

Have you pulled out Grandma's old family recipe that you are going to share with us? We are looking forward to trying all the great creations. Aren't potluck's great!

A few Canadian placemats were handed in at the last meeting. We are hoping to have 150 to hang around the picnic shelter and to pass on to the placemat committee for handout on July 1st- CANADA DAY! Come on, be creative. Make as many as you want. The sky is the limit. See you at the May meeting. *Debbie Van Otterloo @ bdvano@shaw.ca or 250-758-2399*

Did You Know ...? Donated Fabrics / Quilts & more

At the February meeting we learned of the passing of one of our members, Yvonne Jans. Yvonne had been a member of the Guild since 1997, and had been active on several committees over the years. Yvonne's family donated several unfinished quilts and fabrics to the Guild in hopes they could be finished or made into quilts and given out to those in need in our Community through our Donation Quilts Committee.

This is not the first time the Guild has received large donations of fabrics and unfinished projects from members or from the families of those who have passed on. The following is just a small sampling of a few of these donations.

During the mid-1990's, one of our past members, Virginia Brucker, donated several "kits" that she had made up of baby quilt panels complete with batting and backing from her stash. These were handed out to members to make baby quilts that were donated to the Pediatrics Ward at the Nanaimo Regional General Hospital. In 2003, Virginia, with the help of her satellite group, the Passionate Purples, assembled 100 kits to make Christmas stockings for those who had lost their homes in the forest fires in the British Columbia Interior during the summer. The kits contained enough fabric and supplies to make one stocking, and additional fabrics, trimmings and patterns were available to those who wanted to make more. This resulted in 209 Christmas stockings being made.

In 2008, one of our Founding members, Arlene Warwick (1984, 2004-2008) made a donation of 17 finished quilts. Arlene was very ill and had requested her quilts be donated by the Guild to comfort those in need. A few weeks later, Arlene passed away and it was decided to donate the quilts under Arlene's name bearing a special label to the Hospice group as she had spent time volunteering with them.

In 2010, the Donation Committee received two large donations of fabrics from two of our members who had passed away. The first of these was Shelly Fraser who had joined the Guild in 1985. Many members made and finished several quilts with her fabrics, and at the Quilt Show in June, a display of these quilts along with photos of Shelly was on display. Also, at the Quilt Show the Demonstration Committee used Shelly's fabric to make quilts during the show. The other member who passed along her quilting fabrics was one of our Honorary Founding members, Fran Halsall (1984-2010). Many quilts and items for donation were made.

Sometimes fabric and quilts come to the Guild in an indirect manner, such as the fabrics of one of our past members, Sherry-Lynne Ellis (2007-2011). After leaving the Guild Sherry-Lynne gave her quilting supplies and fabrics to one of our Guild members, who turned around and shared these fabrics with other members and some of our satellite groups for making donation quilts. This member always makes sure we know what quilts and items were made from Sherry-Lynne's fabrics.

As stated earlier, this is just a small sampling of the types of donations that the Donation Committee receives, and yes, many members donate fabrics on a continuous basis which is always greatly received. If you think you might want to donate fabrics or quilt tops, please contact the Donations Committee for more information or to make arrangement with them. Remember, this all goes to a good cause.
