From the President's Pen

As I write this, we are coming to the end of another guild year, and it's been a busy one! Each month has brought a full roster of events to fill our meetings and encourage us all to try new things and make new friends.

April brought us something a little different with Gerrie Green's presentation on how quilts may have been used as underground railroad signs and signals for escaping slaves in the southern US. The room was very silent as we felt so much emotion for the slave families torn apart during a very dark time in North American history; we felt awe, and maybe a little pride for the ingenious women who hid messages in clear sight with nothing more than fabric and quilt block patterns; we felt admiration for those who made the hard decision to attempt escape from a world that would deliver harsh or fatal punishment if they failed; and we felt happiness for those who achieved the goal of getting themselves beyond the reach of the slave traders and plantation owners. Gerrie Green took us to that time, brought depth and feeling to her presentation, and gave us one more reason to be proud of the work we do as quilters to help alleviate suffering in others. We aren't able to solve all problems, but one quilt at a time, we can deliver messages of hope to people who are struggling in their lives.

We have only one guild meeting left this year, our evening AGM at 6:30 pm, May 15th. As you know, that is elections time and thanks to our tenacious Past President, Vicki Zoltay, we have nearly filled all positions. One that has not been filled at this time is a replacement for me, in the job of President. Have I made it look unpleasant? Too difficult? Unexciting? If I have, let me say that it has been none of those things! The only reason I have done this job for three years is because I have loved it! It's been my pleasure to serve in this post and I look forward to seeing someone else enjoy her time doing this as well. The job is not too difficult.....I do not 'run' the guild, I am just an organizer and coordinator. Each committee and volunteer does their own job. I simply oversee things, send out reminders, direct people where they need to go and offer help if it's needed (usually by finding someone who can help!). If you are considering taking this on, alone or with a co-President, let me assure you that you won't be alone. I will offer whatever assistance I can and the committees will all give you the tools you need to get the job done. The commitment is just one year, although you will get much more from the job if you stay on for a second year. I hope this will reach one of you and make you feel that you would like to do this job for us for the next year.

We have about 70 volunteer positions in Nanaimo Quilters' Guild, many of them exist to give the members what we want from the guild each year. We could do without some of those jobs if we had to, although the structure of the guild would change. What we cannot do without is a core Executive. Our bylaws (our rule book), state that our Executive shall consist of a President, 1st Vice President, 2nd Vice President, Treasurer, Secretary and Past President. We have been without a 2nd Vice President sometimes but the other positions are necessary in order to properly run a society of our size. So, when Vicki is walking around with her hat on, waiting for a hand to raise, please know that she is not doing this for fun. We need to have the position of President filled for the next year and it needs to happen at the May meeting.

And that's all I have for you this month. I hope you are out enjoying our Spring weather, working in the garden, hearing the hum of bees and the chirp of birds as you go about your days.

Health and happiness to each of you,

Your President, Christine Hustins

Create water movement and shading using thread painting and machine embroidery.

March 20 Trunk Show Stacy Day Fee: \$10 plus an appetizer
Enjoy a social evening with fellow quilters as Stacy Day shares her work as a modern quilter. This promises to be a fun evening. March 21 Creating a Modern Quilt Stacy Day

Fee: \$40 Learn about the design and construction of a modern quilt while creating a fun, updated version of a classic dahlia quilt. Perfect for fussy cutting and showcasing your favourite fabrics.

April 28 & May 2 Picture to Wall Hanging Kathy Bush

Fee: \$80 This class demonstrates a technique of taking a photograph or painting of your choice and creating a one-of-a-kind machine appliqué, quilted wall-hanging. The process involves using the picture or painting (participants are responsible for obtaining copyright permission from original artist) to create a pattern, enlarge it to a desired size, mark it for construction purposes, and use paper backed fusible and fabrics of your choice to complete your design. This class is for the experienced quilter with an expectation that you already know how to use fusible web and how to finish and enhance a machine appliqué project once it is fused to the background. It is basically a design and construction class that will require completion afterwards at home. Sewing machines will likely not be required. Photographs or painting choices are to be approved by the instructor prior to the class to ensure suitability.

June 1 Ice Dyeing Fabric Joy Hegland

Fee: \$95 Experience the magic of creating your own unique fabric. Ice dyeing is fascinating and fun. You are never really sure what your creation will look like but the results are fantastic. Fee includes 5 meters of fabric and all dyeing supplies.

Show Volunteers Needed !!!!!!!!!

Thank you to all members who signed up so far, especially at the April meeting. Mostly all areas are well covered, except the tea room. This is my biggest concern. I will be doing some phoning in the next two weeks to see if we can get at least one person for each job.

Also Frames and Hanging can always use more volunteers.

Your shifts will be on the back of your name tags, which I will be giving out at the May meeting. Please return all name tags to the retreat room to the designated basket. Thanks again everyone for your support. *Janet Knecht/Bonnie Dormuth*

Challenge

Win Money!! Now that I have your attention let me tell you that if you bring in a Challenge Quilt at the May meeting you may win a gift certificate along with a beautiful ribbon. Gift certificates from Snip and Stitch, Serge and Sew and Cindy's Threadworks are the prizes for first, second and third places AND two mystery categories. Even I do not know what these categories are. I have retained the services of an elite Parksville satellite group to make the choices. Anyone who attends the quilt show will have the opportunity to vote, it is not just the guild members like in the past challenges.

It's not too late, even if you haven't started, someone, who will remain nameless, has the plan but not exactly started yet. It is not a bed quilt, just 12 X 24 inches, it can be done in a weekend.

READ THE RULES TO PLAY BY. Remember, it can represent one, two, three or all four of the seasons. Don't forget your hanging sleeve and label (with the quilt's name and yours on it). Make sure ALL the kit fabrics are on the front in recognizable amounts, you may add other fabrics. In this case size is important, make sure it is 12 X 24 inches. Embellish or not, it's up to you.

When you bring it in to the Challenge table at the May meeting, we will give you a receipt which you must bring to us after the show to get your quilt back. Please ensure that the quilt is in an opaque bag or wrapped in some way that it is a mystery to all.

Good luck and have fun!

Philippa, Karen and Vicki

Quilt Show Update

Volunteer Spaces: Janet Knecht has a number of areas to volunteer, especially hostesses Friday & Saturday afternoons, and frames set-up. She reminded members that all food provided for the show must be nut-free.

Raffle Tickets: Judy Peterson reminded us that we have 5,000 tickets to sell to fund the Guild's next three years of activities. Some members have not collected their ticket books yet. She stressed that everyone needs to pick up their tickets and sell them, even if you buy them yourselves. She has extended the deadline for returning sold tickets and money - they must be turned in no later than Friday June 7 at the Quilt Show.

Call to Entry: Val Ansell thanked everyone for reaching a total to date of 299 quilts for the show. If anyone does not want photos taken of their quilts submitted for the show, please notify her, and she will affix a copyright symbol and the instructions 'no photos allowed' to the quilt tag.

Judith McLaughlin needs two more photographers.

Boutique: all info is on the website and packages are available at meetings. Sale tags must be photocopied onto card stock.

Publicity: watch for an interview with Val Ursulak featured in the May issue of Nanaimo Magazine.

Quilt Show pins will be available at the Quilt Show Information table for \$2 (members \$1). *Caroll Rumo Quilt Show Chair*

Voting at the Quilt Show

Shortly we will reconvene at the 2019 Material Magic Quilt Show to see the beautiful work done by our members. Here is a final reminder about your ballots. The Viewers Choice is a simplified white ballot with two choices each of three categories: your favourite bed quilt (white tag), wall quilt (blue tag) and other item (orange tag). There are 6 choices on the lime green Secret Categories ballot. Member ballots and public ballots are tallied up and that entry which receives the most votes overall is the Best of Show and the recipient of the CQA, Canadian Quilters Association Ribbon.

All Volunteer members will proceed to the Volunteer area to pick up their lanyards. In the lanyard will be your Viewers Choice ballot and your Secret Categories ballot. The 38 Show Committee members will also find in their lanyard their Show Committee ballot.

Non-Volunteer members receive their Viewers Choice ballot when they come through Admissions. Those members sign for their Secret Categories ballot at the Information Desk.

The Past Presidents pick up their information package with their lanyards and P.P. Awards ballot, the list of eligible quilts and their locations at the Information table. They may also request a Viewers Choice and Secret Categories ballot at that time.

*Judith McLaughlin, Chair Ballot Committee
and Past Presidents' Awards Committee*

Submitting your Quilt Show Items:

Depot Captains will be contacting you after May 22 to let you know where and when to deliver your Quilt Show items. (They must be delivered by June 4th). The Depot Captain closest to your home will have your Call to Entry forms after that date and will give you details of how to get to her place. She will arrange with you a time and date that is convenient to you both. It is extremely important that each item you bring to the Depot Captain has a hanging sleeve and a label sewn to it. The Depot Captain will put each of your quilts in a clear plastic bag (no charge) so that we can maintain their cleanliness.

Please note that each quilt/art quilt must have a hanging sleeve and label with your name and telephone number. Quilts that do not have a sleeve attached will not be accepted. When the Depot Captain receives your items, she will give you a signed receipt from the bottom of your Call to Entry forms. You will need to keep and present this receipt to pick up your items on June 9th. If you are not able to pick up your items on June 9th, please have someone bring your receipt to pick up your item.

Depot Captain Meeting: Thank you to all Depot Captain (DC) volunteers. Our Depot Captain information meeting will be on Wednesday May 15 @5:30 pm prior to our AGM. We will explain the duties of the DC and give a short demonstration of how to pin the tags on the Quilts. The DCs have been emailed a copy of the Job Description and check list. Please bring any questions or concerns that you have to our May meeting or email us. If you are not able to attend the meeting, please make arrangements for someone to pick up your Info package from us.

We look forward to working with you. Thank you again! *Leslie Millward (lmillward@shaw.ca) and Sandy Dobson (sdobson@telus.net)* Depot Captain Coordinators

Donation Quilts

Since January the donation committee has received 64 quilts. We will be displaying some of the donated quilts at the June quilt show to show the community how generous the guild has been since the last quilt show in 2016. Consequently we will be accepting donation quilts at the May meeting and up to the quilt show in June.

I know we are all pressed for time but it would be wonderful if we could receive 5 – 8 more quilts. Wheelchair and baby quilts are smaller and always in demand.

We will have labels available at the May meeting. If you require batting or backing fabric please let Pat know by email or Bonnie by phone.

Thank you again for all your generous donations of time and energy. We really could not do it without all of you.

Quilts of Valour

Quilts of Valour has presented 12,000 quilts and want to raise this number to 20,000 by the year 2020. At the moment there are 45,000 injured veterans with the average age of 45!

Quilts of Valour is celebrating its 10th anniversary and encourages everyone in the Guild to make a log cabin block or even a finished quilt. Details are below and right. In March, our Guild turned in 1 top, 2 completed quilts and 5 blocks. Come on Nanaimo quilters, let's make several blocks each for our veterans. Blocks can be turned in to Barbara Clement or Sandra Radley.

So, get mom a \$100 gift certificate for only \$90. It's a pretty good deal.

Heck, you could save even more on a \$5000 gift certificate. I guess it just depends how much you love your mom.

Block of the Month

So here we are at the end of our present BOM program. We are using Becky's Maple Leaf pattern from the Canada Day placemats. As the handout says it's a two fabric block with white as the common colour and any colour you like for the other fabric. Becky's samples are fantastic and I'm looking forward to seeing your blocks. After May there won't be any blocks until after summer. I'm excited to see all your quilts at the quilt show!

For the Butterfly blocks we had 8 turned in for the afternoon meeting and Judy Hunter won them. It goes to show that you only need one block to win them all. Judith McLaughlin won the 4 evening blocks by default as she was the only one to enter. Lol. Yes, you are allowed to participate without entering the draw.

I'm excited to announce that by popular vote at the afternoon meeting we will be doing disappearing block patterns for the next session of BOM. I'm so looking forward to trying out the different patterns.

Any questions: Sarah Beyer, text 778-269-2380 or sarahbeyer@shaw.ca; Becky Keizer, kidkeizer@shaw.ca
