## Presidents' Pen

Welcome to a new guild year! Autumn is a great time to be a quilter. Cooler days see us back inside and starting to think about all the holidays that inspire those special quilts and other items we love to make for ourselves and others.

We are very excited to return to a full meeting schedule this year – we'll have both an afternoon and evening meeting each month. We anticipate a great year of learning through programs and workshops. We are especially looking forward to our guild quilt show in June 2023 and hope that most of you will participate through volunteering and by submitting your creations. There will be lots of info throughout the year about how you can get involved.

Our guild meetings and any other in-person activities are "mask-friendly" - so please feel comfortable wearing a mask or not – whatever is best for you. We will just be happy to see you! If you are keen to return but are concerned about how many people will be in the space, consider starting with an evening meeting as those tend to have fewer in attendance. Happy Quilting, *Terri Askham & Judi McLaughlin, Co-Presidents*

## 2022 Guild Program

**Saturday, September 17 & Sunday, September 18, Noon to 3 pm (On Zoom)**

Mark your calendars! We will be starting the Guild year with the Global Quilt Connection's Sampler Platter weekend. Note that this weekend falls before the September in-person guild meeting. Details about the teachers with handouts of their demos as well as the Zoom links will be sent out the week prior to the event.

**UPCOMING WORKSHOPS:** (Note that there is a Workshop Registration Form included in the newsletter on page 13. Please print it off and bring it to the meeting)

**Saturday, October 22, 10am to 4pm Cheryl Arkison: SCRAPTASTIC (On Zoom)**

Don't throw away your little scraps! Those little bits and pieces have excellent potential. This class will show you how to use every last scrap. We will discuss sorting and storing in addition to numerous exercises to truly embrace your scraps. We will spend the day together sewing and laughing. We will play and experiment. You may not finish the day with a quilt, but you will definitely be ahead of the game creatively. Suitable for all levels.

**Saturday, December 3, 9am to 3:30pm Melissa Marginet: BREAK IT UP! 9**

**Ways to Quilt As You Go (On Zoom)** There are so many ways you can quilt as you go. You will learn several ways, starting off with the basic Sashing method by making samples to have in your studio for future reference. We will also look at patterns to see how we can break them up so they can be finished on your home sewing machines. Suitable for all levels.

**Saturday, March 11, 2023, 9am to 3:30pm Elizabeth DeCroos: POJAGI (Korean Stained Glass) Spring Flower Window Panel (On Zoom)** Pojagi is the name

for an ancient Korean form of stitching that often includes reversible patchwork. If you've ever held a flimsy (quilt top without backing or batting) up to a window, you've probably noticed that it looks like stained glass. But if you've ever tried it, you know there is one problem – raw edges. Elizabeth has adapted the traditional techniques for our modern sewing machines and batik fabrics and solves that raw-edge problem with her modern Pojagi seam. She will lead us in this workshop to make window hangings that give the appearance of stained glass and are fully reversible. When students hold up their first piece to a window, the most common reaction is "Wow!" Suitable for all levels. *Cheers, Kathleen Kane, 250-802-3323*

## Library

Hoping everyone managed to stay cool this summer and had a wonderful holiday.

Time to dust off those library books you may have "found" over the summer and return the ones you checked out in May. We've had some time to go over our library inventory and "overdues".

When COVID hit us, we had a number of books that were overdue. Added to the pile of overdues, there are many books that weren't returned when we started back up again. Library book "trading", not renewing memberships, moving, and concerns about in person meetings, etc. all contributed to library books not being returned. We have approximately 135 overdue books in our COVID file. Would love to get them back before we delete them from the Library Database. So if you have any that you have found, please return them ASAP..."no questions asked".

Wanted: We have a great group of volunteers for the afternoon Library Meetings, but we are needing volunteers for the evening meetings.

The job description is:

- Card all returning books and put them out for members to select.
- Check out new book choices to members.
- After coffee break, stack all books into the cupboards to be placed in storage.
- Keep the checked out book cards and container and we will make arrangements to get them back to us,

I will be at the September and hopefully the October evening meeting to help/train volunteers. It does require someone from the library to be at the Evening meetings to be able to keep the library open.

So if you would like to volunteer, please let me know. Email: addisoncl@shaw.ca or see us at the afternoon meeting.

See you in September! The Library Team

## Quilt Show Report

Now that September is here, the time has come to get into another gear so we can move forward and get this "show on the road". We have 8 months till the middle of May 2023. We should have most details in place by then with time to spare. So as of this printing we still need to fill two spaces and reassign another. Raffles, Kitchen, and reassign the Merchant Mall. I have done some investigating into the first two which I will talk about at the September general meeting. The Merchant Mall has been started and is well on it's way, so can easily be turned over to someone who is good with emails and correspondence.

Regarding Raffles I have done research with the gaming website and had a meeting with the last show's lead on this. I will be asking for a volunteer for each of these positions in September. Please give some thought to stepping up to help out. Thanks.

Also another quilt is needed for the Raffle, only the top will be required. I will donate up to a queen size piece of batting and Sarah Beyer will do the quilting for free, you are welcome to look at the backing piece's in the storage locker if this will help. Please contact myself directly. 2023 show June 8,9,10, 11.

## Placemats

We hope everyone had a nice summer. Just to re-cap, we have a balance of 138 placemats and 53 tea cozies in stock to start off the new Guild year. We will need a good deal more in order to be generous at Christmas with our charities, and to also have some in reserve for the Quilt Show in June should we have a tea room. So we are hoping you were all busy making placemats over the summer, and will also be generous throughout the fall. As usual we will have batting cut 13" X 19" at the Placemat Committee table at the Guild meetings. Thanks so much for your support.

*Your Placemat Committee, Heather, Norma and Maureen*

## Quilts of Valour

I have received two quilt tops made from hug blocks that require quilting. I am looking for a volunteer or satellite group to take on the project.

I will provide backing and batting for the project. The quilts are approximately 60X70 inches.

Please contact me if you are interested after September 25th as I will be away. Thanks, *Joan Irving*

## Our Guild 2022 Challenge ~ Houses

- A quilt must have 3 layers: top, batting and backing.
- No kit or registration is required.
- Please don't use a commercial pattern. We want to see your ideas!
- You could choose to represent one room or a whole house. Let your imagination run free!
- Embellish as much as you want. Maybe you'll want to choose a holiday theme.
- Finished perimeter to be less than 100", e.g.: a circle smaller than 31½" in diameter, a square smaller than 25" x 25" or a rectangle less than 20" x 30" would qualify.
- Colour palette and fabrics of your choosing.
- Submit quilt in an opaque bag with your name pinned to the back of the quilt **and** written on the bag. Please include your telephone number.
- Challenge quilt is due by the November meeting. This will allow us time to plan the hanging. An extension may be granted for reasonable grounds.

## Notice of Proposed Constitution & Bylaw Changes for October 2022

Late this past spring outgoing Vice President Nancy Lutes, Vice President Linda Macey and incoming Vice President Vicki Zoltay undertook the task of reviewing the Constitution & Bylaws of the Society and have proposed some amendments to bring these governing documents up to date. The VPs presented their review and suggestions to the Executive Committee who have agreed to offer them to the members for approval at a coming meeting.

The BC Societies Act requires that members are provided at least 30 days notice of proposed changes and therefore we are posting them in this September newsletter, will provide paper copies at the September meeting and will vote on them at our October guild meetings. The rationale for each proposed amendment is offered here and following the required voting procedure there will be opportunity to question and discuss each change individually at the October meeting. Our sincere thanks go to Nancy, Linda and Vicki for the time and thoughtfulness they put into this review.

*NQG Executive Committee*

### Proposed Constitution Change

#### MOTION:

That section 1 The purposes of the Society, subsection a be amended from:

“To support individuals and agencies in our community through quilt related donations”, to:

“To support individuals and agencies in our community and beyond through quilt related donations”

Rationale: Though the original constitution stated the intention to make quilt related donations to the community, the term community was not defined geographically. Over the years, donations have expanded both locally, for example, with the Meals on Wheels programs in Ladysmith and on Gabriola Island, and beyond, as we have responded to emergencies in the province and other places in Canada. Examples of these donations have most recently been for large scale fire or flood victims. In doing a full review it seemed appropriate reflect more accurately the current and anticipated future donation activities.

### Proposed Bylaw Changes

#### MOTION 1:

That Bylaw section 1 Membership, subsection iv be amended from:

“A member shall cease to be in good standing upon

failure to make payment of membership fees within a period of thirty (30) days after due date”, to:

“A member shall cease to be in good standing upon failure to make payment of membership fees within a period of sixty (60) days after due date”

Rationale: To offer members a longer opportunity to renew memberships while retaining voting rights. For example, if a member missed the first notice of renewal or first meeting of the year, under the current bylaw their membership could lapse. Offering a 60-day window is suggested as both practical and fitting the goal of minimizing barriers to membership renewals.

#### MOTION 2:

That Bylaw section 3 Quorum, subsection iii, be deleted.

“Expenditures over \$1000 must be taken as a motion to the membership for a ballot vote”

Rationale: This requirement is in a few inappropriate locations in the bylaws. It only belongs under the section “6 Expenditures not budgeted” so it is being suggested it be removed from the sections which speak to other matters including this section referencing what constitutes a quorum. Proposed motion #6 moves it into the correct section.

#### MOTION 3:

That Bylaw section 4 Voting, subsection iii be deleted.

“Expenditures over \$1000 must be taken as a motion to the membership for a ballot vote”

Rationale: This requirement is in a few inappropriate locations in the bylaws. It only belongs under the section “6 Expenditures not budgeted” so it is being suggested it be removed from the sections which speak to other matters including this section which lays out how voting is to be conducted. Proposed motion #6 moves it into the correct section.

#### MOTION 4:

That Bylaw section 6 Expenditures Not Budgeted, subsection i, be amended from:

“The directors of the Society may authorize the payment of expenditures up to \$300, before taxes, per submission, for items not included in a current budget”, to:

“A majority of the directors of the Society may authorize the payment of expenditures up to \$500, before taxes, per submission for items not included in a current budget”

Rationale: Very rarely, there may arise a need to promptly pay an unplanned budget item over the current

\$300 limit. This change enables the directors of the Society, which include the executive and some of the standing committee chairs, (11 people in total) to make the decision to authorize up to \$500. While this increase in the limit wouldn't require membership approval the extraordinary expense would be reported to the membership during the monthly financial report.

#### **MOTION 5:**

That Bylaw section 6 Expenditures Not Budgeted, be amended to include:

Subsection ii, "That expenditures not included in a current budget of between \$501 and \$1000, before taxes, be taken as a motion to the membership for a vote by show of hands"

Rationale: Currently there is no reference to how to handle an unplanned expenditure between \$300 (In the case that motion #4 is approved this moves to \$500) and items over \$1000. The inclusion of this subsection would cover that gap by requiring any unplanned expense between the two levels be brought to the membership for a vote by a show of hands.

#### **MOTION 6:**

That Bylaw section 6 Expenditures Not Budgeted, be amended to include:

Subsection iii, That expenditures not included in a current budget of over \$1000, before taxes, be taken as a motion to the membership for a ballot vote.

Rationale: This motion was in a few inappropriate locations in the existing bylaws but should be referenced in this section which speaks to how to handle any unplanned expenditures during a guild/budget year.

#### **MOTION 7:**

That Bylaw section 8 Duties of Executive Officers, subsection vi, d, be amended from:

"Chair a budget committee made up of the President(s), immediate Past President(s), Treasurer(s), and immediate Past Treasurer(s)", to:

"Chair a budget meeting made up of the President(s), immediate Past President(s), Treasurer(s), immediate Past Treasurer(s), Secretary and committee chairs"

Rationale: This change provides for the budget process to be referenced as a meeting, rather than a committee, which more accurately describes the process. It also proposes that more members in leadership roles be included in the meeting. The committee chairs are asked to provide information for the budget but have traditionally been excluded from the discussion and final budget to be presented to the membership for approval.

These changes are collectively proposed to improve openness and inclusivity in the budget process.

#### **MOTION 8:**

That Bylaw section 8 Duties of Executive Officers, subsection vi, h, be amended from:

"Liaise with the Committees and ensure that proper procedures are being followed by them", to:

"Liaise with the Committees and ensure that proper procedures are being followed"

Rationale: This is a grammar change not intended to affect the intention of the subsection.
