From the Presidents' Pens

September is a month of changes – much needed rain, cooler temperatures, back to school, gardens put to rest. Our thoughts change from outdoor activities to indoor ones and for guild members, that means quilting. The program committee has many interesting workshops planned to aid in stash busting, overcoming procrastination and exciting ways to stimulate our creativity.

A longer coffee break at our meeting provided opportunities to use the library, peruse new books, view proposed projects up close and most importantly, say hello to people we had not seen over the summer. It was also a pleasure to welcome new members to the guild at both the afternoon and evening meetings. New people bring new ideas, helping organizations grow and stay vibrant.

Our first meeting as new presidents went smoothly and a big thank you goes out to members of the executive and committees who gave us help and support. We look forward to a busy and productive 2019-2020 guild.

Elaine Cadell, Ethyle Riawetz, Co-presidents

Quilt Along 2019-2020 \$20 Participation fee:

2019-2020 Workshops

October 19 Happy Villages Val Ursulak Fee: \$40

Create a happy village using only ten 6 1/2" squares of contrasting fabric. Using cotton batting as the base and a piece of sky fabric, you can be the architect of a whimsical hamlet. Adding landscaping features such as trees and bushes adds to the charm of this little scene. Karen Ekmeier's book "Happy Villages" is a requirement for this class. The book is available at Serge and Sew and you will receive a 20% discount.

November 2 & November 16 Designing a Landscape Quilt Carol Seeley \$95 registration, \$6 material fee payable to Carol. Create a small quilted seascape while learning fabric selection and Carol's special pieced appliqué construction method. This class will start with discussions on how Carol creates patterns. Then while using either one of her designs (four to pick from) or drafting your own design begin fabric selection with tips for creating visual depth in your water, sky and islands. During this step Carol's pieced appliqué construction technique will be demonstrated, using both the hand and machine methods. We will then give the seascape an authentic look while exploring the basic surface embellishment techniques used in Carol's landscape quilts. Learn the processes for creating textured objects, such as bushes and trees from far away to up close and personal. Create water movement and shading, using thread painting and machine embroidery.

November 30 UFO Day Fee: \$10 Finish some of those good ideas from your project pile while you enjoy the company of fellow quilters.

February 22 Scrappy Quilts Sandra Radley Fee: \$40

Do you have bags and boxes of scraps and smaller than yardage pieces that are overtaking your sewing space? Then this class is for you. You will learn to organize and use all those left over pieces turning them into exciting quilts that suit your own style.

March 20 Trunk Show Stacy Day Fee: \$10 plus an appetizer. Enjoy a social evening with fellow quilters as Stacy Day shares her work as a modern quilter. This promises to be a fun evening. Beverages will be provided and we ask participants to bring a finger food appetizer to share. Open to non-quilt members so bring a friend! Stacy's Website: <https://staceyinstitches.com>

March 21 Creating a Modern Quilt Stacy Day

Fee: \$40 Learn about the design and construction of a modern quilt while creating a fun, updated version of a classic dahlia quilt. Perfect for fussy cutting and showcasing your favourite fabrics.

April 28 & May 2 Picture to Wall Hanging Kathy Bush

Fee: \$80 This class demonstrates a technique of taking a photograph or painting of your choice and creating a one-of-a-kind machine appliquéd, quilted wall-hanging. The process involves using the picture or painting (participants are responsible for obtaining copyright permission from original artist) to create a pattern, enlarge it to a desired size, mark it for construction purposes, and use paper backed fusible and fabrics of your choice to complete your design. This class is for the experienced quilter with an expectation that you already know how to use fusible web and how to finish and enhance a machine appliquéd project once it is fused to the background. It is basically a design and construction class that will require completion afterwards at home. Sewing machines will likely not be required. Photographs or painting choices must be approved prior to the class to ensure suitability.

May 30 Ice Dyeing Fabric Joy Hegglund

Fee: \$95 Experience the magic of creating your own unique fabric. Ice dyeing is fascinating and fun. You are never really sure what your creation will look like but the results are fantastic. Fee includes 5 metres of fabric and all dyeing supplies.

Library

Welcome back everyone. Thank you to members who returned their library materials on time! A special thank you to all our afternoon and evening volunteers. Everyone is so efficient!

At the Guild meeting we told you about a special book that is a must have if you own a sewing machine. Here's the information for anyone who might want to purchase it for their own library. He has been featured on the Ricky Tim's Quilt Show on the internet and has been a sewing machine technician in Vancouver for many years. A few Guild members who came from the mainland mentioned that they have had their machines serviced by Bernie in Vancouver. He covers troubleshooting, maintenance, tips and techniques. Here's the info you need if you wish to purchase your own copy:

A Field Guide – You and Your Sewing Machine by Bernie Tobisch (published by C&T publishing)

Check your favourite quilt shop or online book seller for ordering..... It's worth every penny!!! *The Library Team*

CQA Report

There isn't too much new to report since last month but I do hope some of you are thinking of postcards to make for the challenge.....it looks like lots of people are making these or intend to make them. If you need help getting started, contact Cindy Scraba at <https://www.cindysthreadworks.com/> or Karen Killins-Robinson, they'll have lots of tips and suggestions for you.

Also please put your thinking caps on regarding the member guild challenge. More than 40 guilds participated last year and it would be nice to have NQG represented with a challenge quilt at Quilt Canada this year!

This month there is a free special edition CQA magazine available and it's worth having a look at to see how the CQA works and why. I'm going to leave you with the link since this will tell you everything you need to know and I hope you'll take a few minutes to have a look.

Until next month, my quilting friends, *Christine Hustins, CQA Liaison*

Placemats

We received 58 placemats and 38 tea cozies at the September meeting. Wow! Many of you obviously had some time over the summer to quilt. Thank you so much. Special thanks to Maureen Bryson who made 35 of the tea cozies. So, we now have a total of 233 placemats and 63 tea cozies. It is certainly a great start to the year. But please, keep them coming.

As many of you probably know, we can no longer keep the placemat committee tote in storage at the curling rink. This is a bit of a problem for us as we do not have a committee member who attends the evening meeting. We usually leave some batting at the end of the afternoon meeting for the evening members, but do not have anyone to pick up left over batting or placemats turned in at the end of the evening meeting. We were wondering if anyone who attends the evening meeting would be willing to do this? I could then arrange to pick up the items from you sometime before the next meeting. Please call or email Heather (250-468-5527 or heatherhenderson@shaw.ca) if you would be willing to volunteer for this. I would provide a tote bag to carry the items home.

Again, thank you all for your support. The people who receive these placemats and tea cozies sure appreciate it.

Your Placemat Committee: Heather, Norma and Maureen

Donation Quilts

We are off to a great start for the 2019-2020 guild year. 17 quilts and 1 pillow case were received at the afternoon meeting and 4 quilts at the evening meeting. We had one whole bin of backing fabric taken home. Many quilters took home tops and backing, a sandwiched quilt ready for quilting and several unfinished tops to be completed. Many thanks to all our great members for helping complete these quilts.

We have batting (45"x60"), backing and labels available at every meeting. You may request batting cut to a specific measurement. Contact Pat Clements at patclements@shaw.ca with your request. If you wish, you can make your own label as long as it says "made by Nanaimo Quilters Guild". There is always a need for baby quilts and wheelchair quilts. Instruction for sizes are on the website. You can also request that your quilt go to a particular charity. They are listed on the website. There is a binder available at the meetings describing the charities the guild donates to.. We have a designated bin for the VI SCAN department (Nanaimo Hospital Foundation delivers them for us) and NICU at NRGH - incubator quilts.

We have had a request from Salish Lelum Housing for 8 quilts for 6 female and 2 male seniors living there. We have 6 quilts set aside for females but still need 2 quilts for males.

We will be collecting quilts at the October and November meetings. These quilts will be distributed in early December.

Thank you for all the quilts we have received. *Donation Quilts Committee, Bonnie Dormuth 250-753-9366, Pat Clements patclements@shaw.ca*

Food Bank

Thank you for bringing your donations to our September meeting. We collected four boxes of groceries. Feel free to continue your donations through our guild or:

1. At your favourite grocery store at the cash register or drop bins
2. Directly to Loaves and Fishes 210 Fry Street, Nanaimo BC V9R 4Z1
3. Drop off recycling items at Empties 4Food Bins. They are located at Super Store and in many community church parking lots

Remember that our cash donations can purchase up to \$5.98 worth of groceries for the Food Bank. That's a good incentive to donate directly to Loaves and Fishes with an annual cash donation. With appreciation for your continued support. *Your Food Bank Committee: Vicki Dunsmuir, Barb Kerfoot, Nancy Lutes, Germaine Batchelor*

Raffles

I hope the raffle winners at our first meeting of the 2019-2020 year are enjoying their prizes. We have received some great prizes from some of our members. We would like to thank Serge and Sew for their donation of 2 prizes for each month. We would also like to thank Moire Porter, Marg Bradley, Joan Irving, Marlene Jones, T. Kyla Shay, and Janet Knecht for their kind donations. *Carole Phinney, Raffles Chair*
