From the President's Pen

I hope you all enjoyed the ruler presentation and demo at our November meeting. Many thanks to Julie Plotniko and Cathy Martino, who made it all look so easy. That reminds me of something Cathy told me in a quilting class at Snip and Stitch several years ago....she said that she had read it takes about 200 hours to become reasonably proficient at free motion quilting. In doing the math, I calculated I had about 100 hours of practice in at that point, so I started keeping track. And sure enough, around the 200 hour mark I felt my shoulders relax, my fear of making mistakes ease, and I began to just go with it. So if you are new to free motion quilting, and I'm thinking the same goes for ruler quilting, just stick with it. Stay on the path and your skills and confidence will improve with time spent. I am grateful to have heard those words from Cathy many quilting moons ago...they have often crossed my mind and given me determination to carry on no matter what kind of mess I felt I was making at the time!

Many of us were able to attend quilting retreats this year, either through the guild or with friends. I hope you all had a fun time at these getaways, I know those of us at the guild's annual retreat on Quadra had a marvelous time! There may have been a little too much food at times (and not all of it coming from the kitchen!), but there were also long walks, quiet visits with friends and the camaraderie that comes from being in a group of like-minded individuals. Thanks once again to Dona Mae Bauer and Robin Barker for organizing the event, and to Pat Ryan for getting us away from our sewing machines for some fun games and trivia. We are sorry to say that Dona Mae is stepping down from her role as retreat coordinator, we love what she has done for us and brought to us each year, thank you Dona Mae. Fortunately, Pat Ryan has been, as well as the games coordinator, a second to Dona Mae and Robin and she is going to step in to help Robin organize next year's retreat. So all will be well and we will carry on.

In October's President's Pen, I mentioned that Marsha Whitmee was a long term member of our guild (30 years). We are fortunate to still have some members from the very early days of our guild's existence, and some more of those ladies need to be mentioned now. Hedy Hansen has been with Nanaimo Quilters' Guild for 34 years, Dorris Adams for 31 years and Rosa Christensen for 30 years. Congratulations to you all, and thank you for being part of the fabric that has made Nanaimo Quilters' Guild what it is today. It all started with you ladies and we thank you for all you've given to our guild over the years.

Now, here we are going into the month of December already. As most of you know, we don't have a general guild meeting this month. Instead we get together at the Nanaimo Curling Club for a fun potluck get together organized by Arlene Ackerman and her team of helpers. The time for the event this year is the evening of December 12th and I hope to see many of you there. Don't forget to bring your favourite potluck dish for sharing, food bank donations and some Christmas show and share. (I know some of you have been working on log cabin blocks for the QOV quilts and we would love to see some of those too.) You'll also need your place setting of dishes and cutlery and a plastic bag to take your dirty dishes home in. This is a fun time and a good chance to get to know more people, especially if you are fairly new to the Guild.

Merry Christmas one and all, I wish each of you health and happiness in the New Year. Don't forget to visit our guild facebook page.... <https://www.facebook.com/Nanaimo-Quilters-Guild-118598632009213/?ref=bookmarks> You can 'like' us, 'follow' us, post a picture.... it's really easy and you can't go too badly wrong so you might as well try! The more we share the more fun we'll have there.

Your President, Christine Hustins

Quilt Bee January 26, 2019

We will not be handing out any backing fabric, batting or kits at the December meeting because of the Christmas potluck, nor will we be collecting any quilts. Thank you to those who have already turned in finished quilts. If you have quilts for the "Bee" completed, we will be very happy to accept them at the January meetings. We will also have a good assortment of fabric for backings, lots of batting and kits for signing out in January. For our newer members who may not have participated in our previous "Bees", here's what happens. The last Saturday in January has been the date for this annual event and is held at Oliver Woods rec center in the north end of Nanaimo. We get together in teams of 2 or 3 and work on quilts destined for Haven House, our local women and children's shelter. The quilts can be at any stage of completion and many teams work on several quilts at a time. We all bring a potluck dish to be shared making lunch - a yummy highlight of the day. You don't have to attend the quilt Bee to make a quilt for the Haven Society and we do encourage all members to make at least one, but it is a fun way of getting together and getting to know other guild members in a social setting. We still have a few spaces open for teams and a few spots for single members to join a team.

If you have questions please see one of our committee: *Bonnie Dimitry, Marlene Jones, Heather Cowan, and Arlene Sanders*

Food Bank

Since September, our Guild has filled nine boxes of groceries and received a lovely \$100 donation from a Guild member. Feel free to donate to the Food Bank over the month of December by:

1. Donating at our Guild Meetings.
2. Donating at your local grocery store, by asking the teller to add any dollar amount to your grocery receipt towards the Food Bank.
3. Donating at your local grocery store by purchasing items and dropping them in their collection bins.
4. Donating cash or groceries directly to Loaves and Fishes at 210 Fry Street, Nanaimo BC V9R 4Z1
5. Donating by recycling at Empties 4 Food bins, located at several neighbourhood community churches and outside the Superstore.

For every dollar that is donated to the Food Bank, they can convert that dollar to up to \$5.98 worth of groceries at the store.

Thank you all for your continued support. May your family be blessed with joy in the upcoming Christmas Season.

Your committee: Vicki Dunsmuir, Nancy Lutes, Barb Kerfoot, Germaine Batchelor

Placemats

We actually had 14 placemats turning in in October that were not counted previously, and then a total of 63 placemats and 2 tea cozies turned in at the November meetings. So we now have a total of 211 placemats and 58 tea cozies. We will be sorting and "wrapping" them shortly for Christmas giving and of course will hold some back for our Quilt Show in June. I will be accepting donations at the Christmas potluck as well.

This year our placemats will be donated to the Nanaimo and Ladysmith Meals-on-Wheels Programs and the Salvation Army for their Christmas hamper program.

I have "spent the budget" on the armo fleece that we use for batting in the placemats so when the current box is empty I will be asking you all to donate your own batting for your placemat as well. The armo works very well for the placemats but has gone up in price considerably, and I only buy it when a good sale is on.

Thank you all so much for donating such beautiful placemats and tea cozies. I know the recipients all really appreciate receiving them.

*Your Placemat Committee,
Heather, Norma, and Maureen*

Are You Tired of Making Quilts?

Are you thinking of sewing some small projects to use up your stash? Maybe you are thinking of sewing up some gifts for Christmas. Did you sew up too many tote bags than needed from that new pattern? Wondering what to do with the table runner you just finished that doesn't go with your new colour scheme? And what are you going to do with that predominate pink baby quilt after the expectant mother had twin boys? No idea?

Well, the **BOUTIQUE COMMITTEE** would like to let you know that there will be a Boutique area at our upcoming Quilt Show in June where you could place these and other items up for sale. Most sewn and quilted items are welcome – some restrictions do apply, for example no knitting, etc. and there is a consignment fee of 10% that goes to the Guild.

Interested? For more information or to register in advance contact the Quilt Show Boutique Committee members OR Kathy atkadrica@shaw.ca

Signup sheets for all areas that require your assistance will be on display starting in January. Remember, every member that is able, is to help the minimum of 2 hours per day.

Donation Quilts

The quilts that were collected at the September, October and November meetings will be distributed in early December. They will be given to members of our local community from newborns at the NICU (Neo-Natal Intensive Care Unit) at NRGH, to seniors at Eden Gardens and Dufferin Place. Quilts are donated to families through the Salvation Army, RCMP Victim Services, Crossroads Pregnancy Center, Family Life, and the Hospital Foundation for the VI SCAN Program. For young mothers there are two programs at Island Health and two Aboriginal programs. Without the continued support of our guild members we could not donate quilts to all these programs.

Thank you all for your generosity of time and energy. It is truly inspiring. Take some time out to enjoy the Christmas season. Pat Clements and I are looking forward to delivering the quilts and seeing all the delighted recipients.

Thank you

This fall the apple trees seem to be very productive. I thought making apple crisp for a dessert on set up day for the Quilt Show in June would be nice.

As I was having a painful time with carpal tunnel, I asked if any of the Quilt Show Committee members would peel and freeze some apples. Many thanks to the volunteers: Robin Barker, Lorraine Willans, Carol Rumo, Val Ansell, Lynn Bentsen and Christine Hustins. A big thanks to Judy Petersen for organizing the Pearl Quilting Group and to Audrey Hale who has a freezer half full of frozen apples and to the peelers Carole Laxdal, Mickey Lemmon, Jane Fowler, Jean Wilcox, Diane Wilson, Doreen Richards and Leslie Robinson. I feel a bit guilty as I did not peel an apple but I will make the dessert!
