Yummy Baking ...

Thanks to everyone who brings goodies for our meetings. **For the February meeting, it's the turn of everyone with a surname beginning with P, Q and R.**

From Our Presidents' Pens

It was good to see everyone at the January meeting, and to see all the quilts in the Show and Share. Our special thanks go to Arline Warwick for her wonderful donation of 17 quilts to Quilts of Comfort. Lillian Dalton has sent a card of thanks on behalf of the Guild. Our thoughts and prayers are with Arline in her illness.

As you know, we voted on two motions at the January guild meeting. Both motions were carried so, from now on, we will be holding paper ballots for issues over \$1000. Issues & items between \$200 and \$1000 will be voted on by a show of hands, as before. In addition, matters of a significant nature (as judged by the president(s)) will be presented in writing as a notice of motion and dealt with by the executive and the guild.

Even though it's the shortest month of the year, I always find February one of the hardest to deal with. It seems as if winter will never end. So I am happy that there are plenty of guild activities which are going to be so much fun and keep our spirits up till we see the first signs of spring.

There are a number of workshops to teach us some wonderful techniques, and give us the excuse to play. The 'Tricks of the Trade' session promises to be very educational. I know I learned a lot at last year's meeting. Many thanks to the instructors for sharing their time and expertise! *Eimear Keane and Avril Valentine*

Program Committee

Thank you to Val Ursulak and her helpers, Barb Root and Mickie LeClair, for putting on such a wonderful afternoon of fun and games at the Newcomers' Tea. It was a pleasure to meet so many new members. From all the laughing and talking throughout the afternoon, it sounded like our new members were already making friends. A very special thank you goes to the ladies who stayed after the tea and helped with the clean up – it was sew much appreciated. Sign-ups for the open workshops surged after the tea which we can only attribute to our new members feeling more comfortable with taking a workshop. The workshop registration form is on page 7.

Anyone who would like to register for the upcoming workshops is asked to get in touch with Barb Root via email: rootco@shaw.ca phone: 245-3320 or in person at the 'Workshop Registration' table at any Guild meeting. These classes are open to any member of our guild at a nominal price. There is no prerequisite and no skills required. Taking classes is a wonderful way to meet new friends AND to learn a new 'trick of the trade.' We remind all members - if you are interested in a workshop that is presently full, please put your name on the waitlist, we get lots of cancellations.

We are pleased to tell you that all of our February workshops feature our own talented members. Barb Root has compiled lists of workshop participants (page 2). Please look it over for two reasons, to remind you which ones you signed up for and to encourage you to carpool with another member to Kiwanis Village. Parking there is at a premium, especially with the new tower under construction. Directions to the Village are on the Workshop Information Sheet given to you with your supply list. *Program Committee: Audrey Hale, Lillian Charron, Cathy Welte, Barb Root, Sharon Martin, and Sydney Lloyd, Renee duPlessis, Sue Thurmeier, Bonnie Dormuth*

10th Annual Quilt Bee for Haven House

Our 2008 Quilting Bee was a resounding success. We had over 60 guild members working hard, as they enjoyed the company of fellow guild members. **Please remember to bring your completed quilts from the Quilt Bee to the meeting on February 20th. Haven House representatives will be at the meeting to receive our quilts.**

Guild members again made amazing dishes for our potluck luncheon. We would like to thank the Quilt Bee Committee, Cathy Welte, Lillian Charron and Audrey Hale for all their hard work organizing this important event. Grateful thanks goes to Sandy Dobson and Leslie Millward who have very generously agreed to chair the quilt bee in 2009. Please plan to attend and give them your support. Thank you to all the quilters, ironers, dish washers, and again the ladies who helped to clean up after the "Bee". Somehow us old birds do not have the same energy to clean up that we had years ago – so thanks ladies for pitching in when the events are over. Could it be that we ate too much at lunchtime and needed our afternoon nap? HMMMMMMMMMMMM

Can I take it with me?

Personally, I think it is very appropriate to be wrapped in your stash and quilts, like a mummy, before your cremation or burial. That way, we can take it with us.

However, our sewing machines, patterns, sewing options and the zillion other things we possess in our sewing havens should be given consideration, prior to our mummification, as to whom we would like to bequeath them to.

We can put our 'sewing rooms' in our Will or probably the best way, is leave written instructions with our executor, separate to our Will, as to whom gets what. That way we can easily update our instructions annually to keep up with our acquisitions.

I think it is really important to give this some thought and make sure our stash, quilts and sewing goodies will be passed on to those who truly appreciate their value. Remember our executors probably have only a slight idea of the value of our treasures!!

May we live long and healthy lives to enjoy every quilt and piece of fabric and pass along our love of this hobby to others who cherish and share our obsession. *Gail Lambourne*

Editor's note: You might consider bequeathing your quilting items to our Guild, or the Missing Women's Legacy Society if you don't have an individual in mind.

Comfort Quilts

A big thank you to all who donated quilts at the January meeting. An especially big thank you to Arline Warwick, an honorary member, who donated 17 quilts. *The beautiful quilts* were displayed at our Show and Share for members to admire and a thank you card was sent to Arline, who is not well. The Comfort Quilt Committee has batting and backing available for those who need it for quilts for donation. A reminder, all donated quilts must have a N.Q.G. label attached to the back - we provide these labels. Holly will be researching having labels printed professionally which may result in having only a few choices for adults, children and babies. If you have suggestions or ideas please contact her. Val Ansell, Barbara Clement, Holly Wells

Visiting Quilts

The Scrappy Bags satellite group continues to display quilts at seniors' residences in the area. Please bring your loaner quilt(s) (preferably with a history) to any guild meeting. We have draw prizes for those who lend us their quilts.

Fabric Exchange

It has been brought to our attention that some members are missing fabrics for their month. If you are in arrears, please get caught up as soon as possible. It is disappointing to be missing a fabric, and not know why. Perhaps a phone call to explain the delay would be in order. Any questions, please contact Lillian Dalton 756-9804 or Pat Quinlan 722-2179

Thank you to my adopted Grandmother Eimear for taking care of the guild while my Nana Avril stayed with Mommy and me. I like my family. My Nana got up in the night with Mommy and me and she burped me and sent Mommy back to bed. I like these quiet times with Nana. She made Mommy a rag quilt to keep us warm during the night feedings. Nana went home to Duncan and I miss her but I hope she will make me another quilt. Will you make sure she does my quilt right away? And I look good in pink. Love Jillian Avalee Kathleen Hoiland

NQG Block of the Month - March 2008

This month we will do another block with half-square triangles that gives this block a real unique look, most of you probably would recognize this as the "card trick" block.

Fabrics required

Four different medium dark print scraps and for the background; light beige or beige on beige. This is a good way to use up your scraps.

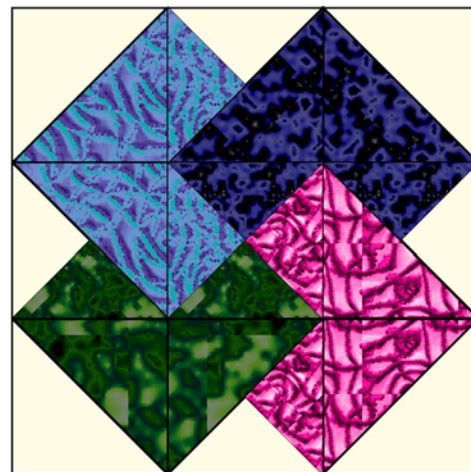

Cutting Instructions:

1. Cut one 5" and one 4" square **of each print** and cut each square corner to corner to make **sixteen** triangles
2. Cut two 5" and two 4" squares **of background fabric** and cut each square corner to corner to make **eight** triangles

Instructions for Piecing:

Following the diagram lay out all the triangles to make up the block. Then sew the block into nine squares. Square each block to 4 1/2".

Then sew three squares into three strips, top, center and bottom. Then sew each strip to form the finished block. Square the block to 12 1/2". It is important to match all the seams to give the block the proper effect.

When you complete the block of the month, and enter your name in the draw, and win, you get to keep all the blocks for your own project.

Customer Loyalty Program

Minutes of January 16, 2008 General Meeting

Meeting was called to order at 1:02 pm by Co-president Eimear Keane. (Avril was in Calgary with her new granddaughter Jillian)

Treasurer: Dalle Proft gave her final report before handing the treasurers position over to Audrey Hale. The Guild has a balance of \$27,717.28 in our ING account and a balance of \$8,430.17 in our Coastal Community Credit Union account.

Secretary: Thank you cards and letters were received for donations made by the Comfort Quilt Society and the Placemats committee. A request for a quilted donation was read and put out to the membership at large. Betty Beck has volunteered to donate an item and deal with this request personally.

Library: Linda noted that Val Ursalak and Paulette Cornish were featured in the latest Canadian Quilter magazine. There were prizes for the challenge of making a quilt from one of the books/magazines checked out of the library in November.

Program: There are spaces available in some of the upcoming classes. Class and supply lists are available. A reminder to sign up for the Tricks of the Trade program in February.

Raffles: Please sign the winners' sheet when choosing a raffle prize, as we must keep records for auditing purposes.

Hospitality: Laura Morrissey introduced and welcomed new members and visitors today.

Ongoing Business: Eimear brought to the floor the motions made and passed unanimously at the December 12, 2007 executive meeting, and subsequently published in the newsletter for the perusal of the membership. A vote, by a show of hands was taken, counted and duly recorded by Eimear. A second vote on these motions was taken at the evening meeting.

Voting Results: The first motion concerning financial expenditures over \$1000.00 was 118 in favour, 3 against, 2 abstentions. Passed. The second motion concerning significant matters being presented to the executive as a Notice of Motion, was passed unanimously.

As there was no further business to be considered, the floor was opened to the Show and Share program. Val Ansell led off the show with a display of the generous donation of seventeen wonderful quilts lovingly made and donated by one of our honorary members, Arline Warwick. The guild thanks her from the bottom of our hearts and she is in our thoughts and prayers. A beautiful display of the talent and industriousness of our members followed. Thank you everyone for sharing! Cindy Scraba, a guild member, was present and took photographs that are available on line for viewing (see page 1) *Lillian Dalton, Secretary*
